Parent/Carer Questionnaire July 2019

Dear Parent/Carer, Please would you take a moment of your time to fill in this questionnaire about SWEET!? In order to encourage you to be completely honest, we are not asking you to give your name unless you want to do so. Your answers will be used to help us plan the future direction of the project. Also, we might use some of your comments to help us write bids for funding, so it would be helpful if you could answer in full sentences. You can continue on the back of the sheet if necessary. Thank you!

1) If it were not for your child's involvement with SWEET!, do you think it would have been possible for her/him to learn a musical instrument? If not, what would have been the reason for this? (eg financial reasons, being able to get to performance venues).

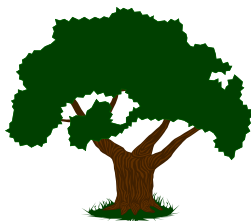

2) In what ways, if at all, would you say SWEET! contributes to the life of our local community? Do you have any suggestions of ways in which SWEET! could further help to build community?

3) Do you feel that taking part in SWEET! has enabled your child to overcome any personal, social, educational or other challenges? If yes, please briefly explain how. In what ways could we better support your child?

4) How would you rate any SWEET! performance(s) which you have attended? Did the performance(s) meet, fail to meet, or exceed your expectations? Do you have any suggestions about other venues or types of performance you would like SWEET! to pursue?
