

Extraordinary Recorder For Extraordinary Kids

Annual Parent / Carer Survey & Comments - July 2022

We cannot thank you enough for taking the time to complete our annual survey. This is completely anonymous so you can be as honest as you like! The survey covers SWEET!'s work this academic year, the first full year of in-person lessons since March 2020. The information will be used to help us bid for funding, and to plan our provision for next year.

There is a box at the end where you can make any comments you like about our service. We are also keen to hear your suggestions, especially around activities your child might enjoy.
